

# ADMINISTRATION OF JUSTICE - ASSOCIATE IN SCIENCE TRANSFER DEGREE

Plan Code: 5504B/C

This program is a comprehensive offering of courses created and designed to prepare students for upper-division study in any of the criminal justice fields. The Associate in Science in Administration of Justice for Transfer degree provides students with a fundamental knowledge of the history, development, structure, and functions of the American criminal justice system. This degree program also develops students' critical thinking skills through applying the criminological theories, principles, and concepts to address real-life situations in the field; recognizing the importance of legal and ethical behavior in a professional work setting; and analyzing, interpreting, and evaluating criminological justice theories, policies, practices and procedures to develop strategies to control and prevent crime. The Associate in Science in Administration of Justice for Transfer degree prepares students for a seamless transfer to a baccalaureate degree program in Criminal Justice/Criminology in the CSU system.

## Program Student Learning Outcomes

- Demonstrate the ability to attain the Institutional Student Learning Outcomes (ISLOs).
- Explore the history development, structure and functions of the American criminal justice system.
- Recognize the importance and practice of legal and ethical behavior in a professional criminal justice work setting.
