They will help develop strategies needed to protect resources, preserve current lifestyles, and build future security. At no time will the consultants offer or sell any product or service.

Portability/Conversion

If you retire, reduce your hours or leave your employer, you can take this coverage with you according to the terms outlined in the contract. However, if you have a medical condition which has a material effect on life expectancy, you will be ineligible to port your coverage. You may also have the option to convert your Term life coverage to an individual life insurance policy.

Accelerated Benefit

If you become terminally ill and are not expected to live beyond a certain time period as stated in your certificate booklet, you may request up to 75% of your life insurance amount up to \$500,000, without fees or present value adjustments. A doctor must certify your condition in order to qualify for this benefit. Upon your death, the remaining benefit will be paid to your designated beneficiary(ies).
